Local Government Association

Model Councillor Code of Conduct 2020

Joint statement

The role of councillor across all tiers of local government is a vital part of our country's system of democracy. It is important that as councillors we can be held accountable and all adopt the behaviors and responsibilities associated with the role. Our conduct as an individual councillor affects the reputation of all councillors. We want the role of councillor to be one that people aspire to. We also want individuals from a range of backgrounds and circumstances to be putting themselves forward to become councillors.

As councillors, we represent local residents, work to develop better services and deliver local change. The public have high expectations of us and entrust us to represent our local area; taking decisions fairly, openly, and transparently. We have both an individual and collective responsibility to meet these expectations by maintaining high standards and demonstrating good conduct, and by challenging behaviour which falls below expectations.

Importantly, we should be able to undertake our role as a councillor without being intimidated, abused, bullied or threatened by anyone, including the general public.

This Code has been designed to protect our democratic role, encourage good conduct and safeguard the public's trust in local government.

Introduction

The Local Government Association (LGA) has developed this Model Councillor Code of Conduct, in association with key partners and after extensive consultation with the sector, as part of its work on supporting all tiers of local government to continue to aspire to high standards of leadership and performance. It is a template for councils to adopt in whole and/or with local amendments.

All councils are required to have a local Councillor Code of Conduct.

The LGA will undertake an annual review of this Code to ensure it continues to be fit-for-purpose, incorporating advances in technology, social media and changes in legislation. The LGA can also offer support, training and mediation to councils and councillors on the application of the Code and the National Association of Local Councils (NALC) and the county associations of local councils can offer advice and support to town and parish councils.

Definitions

For the purposes of this Code of Conduct, a “councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

General principles of councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- you misuse your position as a councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

Standards of councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a councillor:

1.1 I treat other councillors and members of the public with respect.

1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor-officer protocol.

2. Bullying, harassment and discrimination

As a councillor:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the council

As a councillor:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information

As a councillor:

4.1 I do not disclose information:

- a. given to me in confidence by anyone**
- b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless**
 - i. I have received the consent of a person authorised to give it;**
 - ii. I am required by law to do so;**
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
 - iv. the disclosure is:**
 - 1. reasonable and in the public interest; and**
 - 2. made in good faith and in compliance with the reasonable requirements of the local authority; and**
 - 3. I have consulted the Monitoring Officer prior to its release.**

4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute

As a councillor:

5.1 I do not bring my role or local authority into disrepute.

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in you or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position

As a councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities

As a councillor:

7.1 I do not misuse council resources.

7.2 I will, when using the resources of the local or authorising their use by others:

- a. act in accordance with the local authority's requirements; and**
- b. ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.**

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct

As a Councillor:

8.1 I undertake Code of Conduct training provided by my local authority.

8.2 I cooperate with any Code of Conduct investigation and/or determination.

8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.

8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the local authority

9. Interests

As a councillor:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority .

You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in **Table 1**, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10. Gifts and hospitality

As a councillor:

- 10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.**
- 10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.**
- 10.3 I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.**

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

Appendices

Appendix A – The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in “The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012”. You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

“Disclosable Pecuniary Interest” means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A ‘sensitive interest’ is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a ‘sensitive interest’ you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it

Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which **directly relates** to one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

7. Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
8. Where a matter arises at a meeting which **affects** –
 - a. your own financial interest or well-being;
 - b. a financial interest or well-being of a relative, close associate; or
 - c. a body included in those you need to disclose under Other Registrable Interests as set out in **Table 2**

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied

9. Where a matter **affects** your financial interest or well-being:
 - a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
 - b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. Where you have a personal interest in any business of your authority and you have made an executive decision in relation to that business, you must make sure that any written statement of that decision records the existence and nature of your interest.

Appendix C – the Committee on Standards in Public Life

The LGA has undertaken this review whilst the Government continues to consider the recommendations made by the Committee on Standards in Public Life in their report on [Local Government Ethical Standards](#). If the Government chooses to implement any of the recommendations, this could require a change to this Code.

The recommendations cover:

- Recommendations for changes to the Localism Act 2011 to clarify in law when the Code of Conduct applies
- The introduction of sanctions
- An appeals process through the Local Government Ombudsman
- Changes to the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012
- Updates to the Local Government Transparency Code
- Changes to the role and responsibilities of the Independent Person
- That the criminal offences in the Localism Act 2011 relating to Disclosable Pecuniary Interests should be abolished

The Local Government Ethical Standards report also includes Best Practice recommendations. These are:

Best practice 1: Local authorities should include prohibitions on bullying and harassment in codes of conduct. These should include a definition of bullying and harassment, supplemented with a list of examples of the sort of behaviour covered by such a definition.

Best practice 2: Councils should include provisions in their code of conduct requiring councillors to comply with any formal standards investigation and prohibiting trivial or malicious allegations by councillors.

Best practice 3: Principal authorities should review their code of conduct each year and regularly seek, where possible, the views of the public, community organisations and neighbouring authorities.

Best practice 4: An authority's code should be readily accessible to both councillors and the public, in a prominent position on a council's website and available in council premises.

Best practice 5: Local authorities should update their gifts and hospitality register at least once per quarter, and publish it in an accessible format, such as CSV.

Best practice 6: Councils should publish a clear and straightforward public interest test against which allegations are filtered.

Best practice 7: Local authorities should have access to at least two Independent Persons.

Best practice 8: An Independent Person should be consulted as to whether to undertake a formal investigation on an allegation, and should be given the option to

review and comment on allegations which the responsible officer is minded to dismiss as being without merit, vexatious, or trivial.

Best practice 9: Where a local authority makes a decision on an allegation of misconduct following a formal investigation, a decision notice should be published as soon as possible on its website, including a brief statement of facts, the provisions of the code engaged by the allegations, the view of the Independent Person, the reasoning of the decision-maker, and any sanction applied.

Best practice 10: A local authority should have straightforward and accessible guidance on its website on how to make a complaint under the code of conduct, the process for handling complaints, and estimated timescales for investigations and outcomes.

Best practice 11: Formal standards complaints about the conduct of a parish councillor towards a clerk should be made by the chair or by the parish council, rather than the clerk in all but exceptional circumstances.

Best practice 12: Monitoring Officers' roles should include providing advice, support and management of investigations and adjudications on alleged breaches to parish councils within the remit of the principal authority. They should be provided with adequate training, corporate support and resources to undertake this work.

Best practice 13: A local authority should have procedures in place to address any conflicts of interest when undertaking a standards investigation. Possible steps should include asking the Monitoring Officer from a different authority to undertake the investigation.

Best practice 14: Councils should report on separate bodies they have set up or which they own as part of their annual governance statement and give a full picture of their relationship with those bodies. Separate bodies created by local authorities should abide by the Nolan principle of openness and publish their board agendas and minutes and annual reports in an accessible place.

Best practice 15: Senior officers should meet regularly with political group leaders or group whips to discuss standards issues.

The LGA has committed to reviewing the Code on an annual basis to ensure it is still fit for purpose.

[Training	8]

Purpose

The council is committed to being transparent about how it collects and uses the personal data of staff, and to meeting our data protection obligations. This policy sets out the council's commitment to data protection, and your rights and obligations in relation to personal data in line with the General Data Protection Regulation (GDPR) and the Data Protection Act 2018 (DPA).

This policy applies to the personal data of current and former job applicants, employees, workers, contractors, and former employees, referred to as HR-related personal data. This policy does not apply to the personal data relating to members of the public or other personal data processed for council business.

The council has appointed [name and job title] as the person with responsibility for data protection compliance within the council. Questions about this policy, or requests for further information, should be directed to them.

Definitions

"Personal data" is any information that relates to a living person who can be identified from that data (a 'data subject') on its own, or when taken together with other information. It includes both automated personal data and manual filing systems where personal data are accessible according to specific criteria. It does not include anonymised data.

"Processing" is any use that is made of data, including collecting, recording, organising, consulting, storing, amending, disclosing or destroying it.

"Special categories of personal data" means information about an individual's racial or ethnic origin, political opinions, religious or philosophical beliefs, trade union membership, health, sex life or sexual orientation and genetic or biometric data as well as criminal convictions and offences.

"Criminal records data" means information about an individual's criminal convictions and offences, and information relating to criminal allegations and proceedings.

Data protection principles

The council processes HR-related personal data in accordance with the following data protection principles the council:

- processes personal data lawfully, fairly and in a transparent manner
- collects personal data only for specified, explicit and legitimate purposes
- processes personal data only where it is adequate, relevant and limited to what is necessary for the purposes of processing

- keeps accurate personal data and takes all reasonable steps to ensure that inaccurate personal data is rectified or deleted without delay
- keeps personal data only for the period necessary for processing
- adopts appropriate measures to make sure that personal data is secure, and protected against unauthorised or unlawful processing, and accidental loss, destruction or damage

The council will tell you of the personal data it processes, the reasons for processing your personal data, how we use such data, how long we retain the data, and the legal basis for processing in our privacy notices.

The council will not use your personal data for an unrelated purpose without telling you about it and the legal basis that we intend to rely on for processing it. The council will not process your personal data if it does not have a legal basis for processing.

The council keeps a record of our processing activities in respect of HR-related personal data in accordance with the requirements of the General Data Protection Regulation (GDPR).

Processing

Personal data

The council will process your personal data (that is not classed as special categories of personal data) for one or more of the following reasons:

- it is necessary for the performance of a contract, e.g., your contract of employment (or services); and/or
- it is necessary to comply with any legal obligation; and/or
- it is necessary for the council's legitimate interests (or for the legitimate interests of a third party), unless there is a good reason to protect your personal data which overrides those legitimate interests; and/or
- it is necessary to protect the vital interests of a data subject or another person; and/or
- it is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller.

If the council processes your personal data (excluding special categories of personal data) in line with one of the above bases, it does not require your consent. Otherwise, the council is required to gain your consent to process your personal data. If the council asks for your consent to process personal data, then we will explain the reason for the request. You do not need to consent or can withdraw consent later.

The council will not use your personal data for an unrelated purpose without telling you about it and the legal basis that we intend to rely on for processing it.

Personal data gathered during the employment is held in your personnel file in hard copy and electronic format on HR and IT systems and servers. The periods for which the council holds your HR-related personal data are contained in our privacy notices to individuals.

Sometimes the council will share your personal data with contractors and agents to carry out our obligations under a contract with the individual or for our legitimate interests. We require those individuals or companies to keep your personal data confidential and secure and to protect it in accordance with Data Protection law and our policies. They are only permitted to process that data for the lawful purpose for which it has been shared and in accordance with our instructions.

The council will update HR-related personal data promptly if you advise that your information has changed or is inaccurate. You may be required to provide documentary evidence in some circumstances.

The council keeps a record of our processing activities in respect of HR-related personal data in accordance with the requirements of the General Data Protection Regulation (GDPR).

Special categories of data

The council will only process special categories of your personal data (see above) on the following basis in accordance with legislation:

- where it is necessary for carrying out rights and obligations under employment law or a collective agreement;
- where it is necessary to protect your vital interests or those of another person where you are physically or legally incapable of giving consent;
- where you have made the data public;
- where it is necessary for the establishment, exercise or defence of legal claims;
- where it is necessary for the purposes of occupational medicine or for the assessment of your working capacity;
- where it is carried out by a not-for-profit body with a political, philosophical, religious or trade union aim provided the processing relates to only members or former members provided there is no disclosure to a third party without consent;
- where it is necessary for reasons of substantial public interest on the basis of law which is proportionate to the aim pursued and which contains appropriate safeguards;
- where it is necessary for reasons of public interest in the area of public health; and

- where it is necessary for archiving purposes in the public interest or scientific and historical research purposes.

If the council processes special categories of your personal data in line with one of the above bases, it does not require your consent. In other cases, the council is required to gain your consent to process your special categories of personal data. If the council asks for your consent to process a special category of personal data, then we will explain the reason for the request. You do not have to consent or can withdraw consent later.

Individual rights

As a data subject, you have a number of rights in relation to your personal data.

Subject access requests

You have the right to make a subject access request. If you make a subject access request, the council will tell you:

- whether or not your data is processed and if so why, the categories of personal data concerned and the source of the data if it is not collected from yourself;
- to whom your data is or may be disclosed, including to recipients located outside the European Economic Area (EEA) and the safeguards that apply to such transfers;
- for how long your personal data is stored (or how that period is decided);
- your rights to rectification or erasure of data, or to restrict or object to processing;
- your right to complain to the Information Commissioner if you think the council has failed to comply with your data protection rights; and
- whether or not the council carries out automated decision-making and the logic involved in any such decision-making.

The council will also provide you with a copy of your personal data undergoing processing. This will normally be in electronic form if you have made a request electronically, unless you agree otherwise.

If you want additional copies, the council may charge a fee, which will be based on the administrative cost to the council of providing the additional copies.

To make a subject access request, you should send the request to the Clerk or Chairman of the Council. In some cases, the council may need to ask for proof of identification before the request can be processed. The council will inform you if we need to verify your identity and the documents we require.

The council will normally respond to a request within a period of one month from the date it is received. Where the council processes large amounts of your data, this may not be

possible within one month. The council will write to you within one month of receiving the original request to tell you if this is the case.

If a subject access request is manifestly unfounded or excessive, the council is not obliged to comply with it. Alternatively, the council can agree to respond but will charge a fee, which will be based on the administrative cost of responding to the request. A subject access request is likely to be manifestly unfounded or excessive where it repeats a request to which the council has already responded. If you submit a request that is unfounded or excessive, the council will notify you that this is the case and whether or not we will respond to it.

Other rights

You have a number of other rights in relation to your personal data. You can require the council to:

- rectify inaccurate data;
- stop processing or erase data that is no longer necessary for the purposes of processing;
- stop processing or erase data if your interests override the council's legitimate grounds for processing data (where the council relies on our legitimate interests as a reason for processing data);
- stop processing or erase data if processing is unlawful; and
- stop processing data for a period if data is inaccurate or if there is a dispute about whether or not your interests override the council's legitimate grounds for processing data.
- complain to the Information Commissioner. You can do this by contacting the Information Commissioner's Office directly. Full contact details including a helpline number can be found on the Information Commissioner's Office website (www.ico.org.uk).

To ask the council to take any of these steps, you should send the request to the Clerk or Chairman of the Council.

Data security

The council takes the security of HR-related personal data seriously. The council has internal policies and controls in place to protect personal data against loss, accidental destruction, misuse or disclosure, and to ensure that data is not accessed, except by employees in the proper performance of their duties.

Where the council engages third parties to process personal data on our behalf, such parties do so on the basis of written instructions, are under a duty of confidentiality and are obliged

to implement appropriate technical and organisational measures to ensure the security of data.

[Impact assessments]

Some of the processing that the council carries out may result in risks to privacy (such as monitoring of public areas via CCTV). Where processing would result in a high risk to your rights and freedoms, the council will carry out a data protection impact assessment (DPIA) to determine the necessity and proportionality of processing. This will include considering the purposes for which the activity is carried out, the risks for yourself and the measures that can be put in place to mitigate those risks.]

Data breaches

The council have robust measures in place to minimise and prevent data breaches from taking place. Should a breach of personal data occur the council must take notes and keep evidence of that breach.

If you are aware of a data breach you must contact the Clerk or Chairman of the Council immediately and keep any evidence, you have in relation to the breach.

If the council discovers that there has been a breach of HR-related personal data that poses a risk to the rights and freedoms of yourself, we will report it to the Information Commissioner within 72 hours of discovery. The council will record all data breaches regardless of their effect.

If the breach is likely to result in a high risk to the rights and freedoms of individuals, we will tell you that there has been a breach and provide you with information about its likely consequences and the mitigation measures we have taken.

International data transfers

The council will not transfer HR-related personal data to countries outside the EEA.

Individual responsibilities

You are responsible for helping the council keep your personal data up to date. You should let the council know if data provided to the council changes, for example if you move to a new house or change your bank details.

Everyone who works for, or on behalf of, the council has some responsibility for ensuring data is collected, stored and handled appropriately, in line with the council's policies.

You may have access to the personal data of other individuals and of members of the public in the course of your work with the council. Where this is the case, the council relies on you to help meet our data protection obligations to staff and members of the public. Individuals who have access to personal data are required:

- to access only data that you have authority to access and only for authorised purposes;
- not to disclose data except to individuals (whether inside or outside the council) who have appropriate authorisation;
- to keep data secure (for example by complying with rules on access to premises, computer access, including password protection, locking computer screens when away from desk, and secure file storage and destruction including locking drawers and cabinets, not leaving documents on desk whilst unattended);
- not to remove personal data, or devices containing or that can be used to access personal data, from the council's premises without prior authorisation and without adopting appropriate security measures (such as encryption or password protection) to secure the data and the device; and
- not to store personal data on local drives or on personal devices that are used for work purposes.
- to never transfer personal data outside the European Economic Area except in compliance with the law and with express authorisation from the Clerk or Chair of the Council
- to ask for help from the council's data protection lead if unsure about data protection or if you notice a potential breach or any areas of data protection or security that can be improved upon.

Failing to observe these requirements may amount to a disciplinary offence, which will be dealt with under the council's disciplinary procedure. Significant or deliberate breaches of this policy, such as accessing personal data without authorisation or a legitimate reason to do so or concealing or destroying personal data as part of a subject access request, may constitute gross misconduct and could lead to dismissal without notice.

[Training]

The council provides training to all individuals about their data protection responsibilities.

If your roles require you to have regular access to personal data, or you are responsible for implementing this policy or responding to subject access requests under this policy, you will receive additional training to help you understand your duties and how to comply with them.]

This is a non-contractual policy and procedure which will be reviewed from time to time.

Notes

This is an example policy that should be adjusted to reflect the procedures and policy of the council.

1. Data audit

It is important that the council's policy reflects current practice. Any policy must be based on a data audit to ensure that the council understands what data is collected, where it is stored, who has access to the data and the measures taken to ensure it is secure. For more information on implementing a Data Protection Policy, please refer to the Information Commissioner website.

2. Relevance

The council must ensure that any commitment made in their policy is relevant and up-to-date.

3. Data Protection Officer

The policy assumes that the council has a Data Protection lead rather than appointed a Data Protection Officer (DPO). The role of DPO is set out in legislation and infers specific obligations. Parish councils in England and community councils in Wales and Scotland are exempt from having to appoint a DPO (<https://ico.org.uk/for-organisations/in-your-sector/local-government/local-gov-gdpr-faqs/>) but are still subject to data protection legislation and must ensure sufficient resources to meet the obligations under the GDPR.

4. Data storage within the EU

You need to take account of where your data is stored including servers, on the cloud, and where your suppliers might hold their data including on their server.

Guidance

Where there is text in [square brackets] this part may be updated or be deleted if not relevant. An alternative option may have been provided.

Important notice

This is an example of an employment policy designed for a small council adhering to statutory minimum requirements and does not constitute legal advice. As with all policies it should be consistent with your terms and conditions of employment.

MODEL FINANCIAL REGULATIONS FOR LOCAL COUNCILS

This Model Financial Regulations template was produced by the National Association of Local Councils (NALC) in March 2025 for the purpose of its member councils and county associations. Every effort has been made to ensure that the contents of this document are correct at time of publication. NALC cannot accept responsibility for errors, omissions and changes to information subsequent to publication.

Notes to assist in the use of this template:

- 1) This document is a model for councils of all sizes to use to develop their own financial regulations, suitable for the size of the council and the activities it undertakes.
- 2) Bold text indicates legal requirements, which a council cannot change or suspend.
- 3) For the rest, each council needs to adapt the model to suit its size and structure. For example, some councils have both a clerk and RFO, possibly with several more staff, while others have a single employee as clerk/RFO. Some councils have committees, some have a high level of delegation and some make all decisions at full council meetings. Many now use online payment methods, but others still rely on cheques.
- 4) Curly brackets indicate words, sentences or sections that can be removed if not applicable, or amended to fit the council's circumstances. An example of this is the phrase {or duly delegated committee}, which can be deleted if there are no committees.
- 5) Specific areas that may need adapting:
 - a) In 1.5 – is the Clerk the RFO?
 - b) In 3.3 and 3.4, the words "Governance and Accountability" do not apply in Wales
 - c) In section 4, does the council have committees and how many years are forecast?
 - d) In 5.6, does the council issue an open invitation to tender, or invite specific firms?
 - e) In 5.9, are online prices acceptable evidence?
 - f) In 5.13, 5.15 and 5.17, does the council have committees?
 - g) In 5.16, will a councillor ever be instructed to place an order?
 - h) In 5.20, is there a minimum level for official orders?
 - i) Section 6 includes several alternatives to cover delegation to committees or to officers, approval of invoices individually or in batches, or for approval of regular contractual payments at the beginning of the year.
 - j) Sections 7, 8 and 9 also includes several alternatives, including wording for where the clerk is a signatory. These are intended to allow a council's financial regulations to fit what they actually do, not to force any council to change what they do.
 - k) Section 10 gives two alternatives, with or without petty cash.
 - l) 13.6 has alternatives for VAT-registered and unregistered councils – only use one.
 - m) 13.7 and 13.8 are removable if they don't apply to the council.

- n) Much of Section 16 can be deleted if not applicable.
- o) 17.3, is the Clerk the RFO or will the RFO consult the Clerk?
- 6) Square brackets indicate where the council needs to specify who, or how much, or what the timescale is. For example [£500] might need to be £100, or [October] might need to be November, or [the council] might need to say the Policy and Resources Committee.
 - a) In 4.1 and 4.7, select the wording for England or Wales, based on your location.
 - b) In Section 4, the council needs to determine the timescale for its budget setting.
- 7) It is challenging to try to offer guidance on setting financial limits. A council spending £1,000 a year is unlikely to delegate authority to spend £500 to its proper officer, but one spending £5 million a year might regard £5,000 as a reasonable limit. Each council needs to determine its own limits, that help, rather than hinder, its operations.
- 8) Key limits to set:
 - a) In 5.6, at what limit will the council require a formal tender process to ensure fair competition, rather than just asking for quotes? If this is set too low, it may discourage suppliers. Many small councils might only use formal tenders once every few years.
 - b) In 5.8, at what limit will the council require fixed-price quotes rather than estimates?
 - c) In 5.9, at what level can smaller purchases be made without competition?
 - d) In 5.15, at what level can purchases be made under delegated authority (having complied with the rules about obtaining prices)?
 - e) In 5.18, how much can the clerk commit to spending in an emergency?
 - f) In 6.9, can payment of invoices (for purchases that have already been authorised) be authorised by an officer under delegated authority as a general principle, or only to avoid problems?
 - g) In Section 9, what are the limits for card payments?
 - h) In 16.5, what value of assets can be bought or disposed of, without seeking council approval?
- 9) The contents list is a table that extracts section headings from the document. It can be updated by clicking on the contents list, whereupon a tab saying "update table" appears at the top of the list.
- 10) Once this model has been tailored to fit the council's needs, the resulting Financial Regulations (with the insertion of the council's name at the top) should be adopted at a meeting of the full council. The date of adoption should be inserted below the Contents. Any subsequent proposal for amendment should also be made to the full council.
- 11) The council should keep abreast of developments in legislation that affect the local council sector and should review and update its Financial Regulations annually.
- 12) Please ensure that the latest approved version is published on the council's website.

WEST DEAN PARISH COUNCIL - RISK ASSESSMENT AND RISK MANAGEMENT

RISK ASSESSMENT SCHEDULE

Definition of Risk Assessment

Risk is the threat that an event or action will adversely affect an organisation's ability to achieve its objectives and to successfully execute its strategies. Risk management is the process by which risks are identified, evaluated and controlled. It is a key element of the framework of governance together with community focus, structure and processes, standards of conduct and service delivery arrangements.

This document has been produced to enable the Parish Council to assess the risks that it faces and satisfy itself that it has taken adequate steps to minimise them. The Council is aware that although some risks can never be eliminated fully, it has in place a strategy that provides a structured, systematic and focussed approach to managing risk which:

- Identifies the subject.
- Identifies what the risk may be.
- Identifies the level of risk.
- Evaluates the management and control of the risk and records findings.
- Reviews, assesses and revises procedures if required.

INTRODUCTION

This is an update to Model Standing Orders 14 and 18.

HOW TO USE MODEL STANDING ORDERS

Standing orders are the written rules of a local council. Standing orders are essential to regulate the proceedings of a meeting. A council may also use standing orders to confirm or refer to various internal organisational and administrative arrangements. The standing orders of a council are not the same as the policies of a council but standing orders may refer to them.

Local councils operate within a wide statutory framework. NALC model standing orders incorporate and reference many statutory requirements to which councils are subject. It is not possible for the model standing orders to contain or reference all the statutory or legal requirements which apply to local councils. For example, it is not practical for model standing orders to document all obligations under data protection legislation. The statutory requirements to which a council is subject apply whether or not they are incorporated in a council's standing orders.

The model standing orders do not include model financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the council's Responsible Financial Officer. Model financial regulations are available to councils in membership of NALC.

DRAFTING NOTES

Model standing orders that are in bold type contain legal and statutory requirements. It is recommended that councils adopt them without changing them or their meaning. Model standing orders not in bold are designed to help councils operate effectively but they do not contain statutory requirements so they may be adopted as drafted or amended to suit a council's needs. It is NALC's view that all model standing orders will generally be suitable for councils.

For convenience, the word "councillor" is used in model standing orders and, unless the context suggests otherwise, includes a non-councillor with or without voting rights. Model standing orders use gender-neutral language (e.g. "Chair").

A model standing order that includes brackets like this '()' requires information to be inserted by a council. A model standing order that includes brackets like this '[]' and the term 'OR' provides alternative options for a council to choose from when determining standing orders.

1. **RULES OF DEBATE AT MEETINGS**

- a Motions on the agenda shall be considered in the order that they appear unless the order is changed at the discretion of the chair of the meeting.
- b A motion (including an amendment) shall not be progressed unless it has been moved and seconded.
- c A motion on the agenda that is not moved by its proposer may be treated by the chair of the meeting as withdrawn.
- d If a motion (including an amendment) has been seconded, it may be withdrawn by the proposer only with the consent of the seconder and the meeting.
- e An amendment is a proposal to remove or add words to a motion. It shall not negate the motion.
- f If an amendment to the original motion is carried, the original motion (as amended) becomes the substantive motion upon which further amendment(s) may be moved.
- g An amendment shall not be considered unless early verbal notice of it is given at the meeting and, if requested by the chair of the meeting, is expressed in writing to the chair.
- h A councillor may move an amendment to their own motion if agreed by the meeting. If a motion has already been seconded, the amendment shall be with the consent of the seconder and the meeting.
- i If there is more than one amendment to an original or substantive motion, the amendments shall be moved in the order directed by the chair of the meeting.
- j Subject to standing order 1(k), only one amendment shall be moved and debated at a time, the order of which shall be directed by the chair of the meeting.
- k One or more amendments may be discussed together if the chair of the meeting considers this expedient but each amendment shall be voted upon separately.
- l A councillor may not move more than one amendment to an original or substantive motion.
- m The mover of an amendment has no right of reply at the end of debate on it.
- n Where a series of amendments to an original motion are carried, the mover of the original motion shall have a right of reply either at the end of debate on the first amendment or at the very end of debate on the final substantive motion immediately before it is put to the vote.

- o Unless permitted by the chair of the meeting, a councillor may speak once in the debate on a motion except:
 - i. to speak on an amendment moved by another councillor;
 - ii. to move or speak on another amendment if the motion has been amended since they last spoke;
 - iii. to make a point of order;
 - iv. to give a personal explanation; or
 - v. to exercise a right of reply.
- p During the debate on a motion, a councillor may interrupt only on a point of order or a personal explanation and the councillor who was interrupted shall stop speaking. A councillor raising a point of order shall identify the standing order which they considers has been breached or specify the other irregularity in the proceedings of the meeting they are concerned by.
- q A point of order shall be decided by the chair of the meeting and their decision shall be final.
- r When a motion is under debate, no other motion shall be moved except:
 - i. to amend the motion;
 - ii. to proceed to the next business;
 - iii. to adjourn the debate;
 - iv. to put the motion to a vote;
 - v. to ask a person to be no longer heard or to leave the meeting;
 - vi. to refer a motion to a committee or sub-committee for consideration;
 - vii. to exclude the public and press;
 - viii. to adjourn the meeting; or
 - ix. to suspend particular standing order(s) excepting those which reflect mandatory statutory or legal requirements.
- s Before an original or substantive motion is put to the vote, the chair of the meeting shall be satisfied that the motion has been sufficiently debated and that the mover of the motion under debate has exercised or waived their right of reply.
- t Excluding motions moved under standing order 1(r), the contributions or speeches by a councillor shall relate only to the motion under discussion and shall not exceed (three) minutes without the consent of the chair of the meeting.

2. **DISORDERLY CONDUCT AT MEETINGS**

- a No person shall obstruct the transaction of business at a meeting or behave offensively or improperly. If this standing order is ignored, the chair of the meeting shall request such person(s) to moderate or improve their conduct.
- b If person(s) disregard the request of the chair of the meeting to moderate or improve their conduct, any councillor or the chair of the meeting may move that the person be no longer heard or be excluded from the meeting. The motion, if seconded, shall be put to the vote without discussion.
- c If a resolution made under standing order 2(b) is ignored, the chair of the meeting may take further reasonable steps to restore order or to progress the meeting. This may include temporarily suspending or closing the meeting.

West Dean Parish Council, 14 May 2025

Item 18. Budget report 2024-25

On 31 March 2025, the Parish Council's Barclays Bank account was signed off with a balance of £27,488.68 and the Santander account was signed off with a balance of £6,399.37.

In 2024/25, total income was £32,085.47 which included a Precept of £17,357 for the day-to-day running of the Council; a grant of £20,036.32 from West Sussex County Council for phase 2 of the Operation Watershed works at Chilgrove; £12,824.32 in reclaimed VAT (mainly VAT from phase 1 of the Operation Watershed works); SDNPA CIL funding of £1,612.98; £200 for a burial at the cemetery; £60.18 of bank interest; and £31 in miscellaneous income.

During the same period, total expenditure was £44,594.54 which included completing Operation Watershed of £20,036.32 in December 2024; VAT to reclaim of £5,741.06 (of which £818.44 was still to be reclaimed on 31 March 2025 and was received on 14 April 2025); tree and hedge maintenance at the cemetery of £3,550 which was taken from the general reserve but it was included in the 2025/26 Precept to maintain reserves; and the remainder of £15,267.16 was spent from the Precept towards the maintenance of the cemetery and churchyard, Parish events, street lighting, litter and dog bin collections, and internal and external audits, subscriptions, room hire, office equipment and staff costs. Any unspent amount from the Precept went into the general reserve at the end of the financial year.

On 31 March 2025, the earmarked reserve stood at £20,000 which had been set aside for village gateways, speeding initiatives and the cemetery. A further £1,612.98 was received in CIL funding from the SDNPA in April 2025 which must be spent within five years. The Council had £12,215.07 in general reserves and the internal auditor recommends that this amount should be roughly half of the Precept to safeguard against any financial risk.

The Council is now being audited for its activities during 2024/25. The Clerk met the internal auditor, Mulberry & Co, on 7 May 2025 which included looking at the financial accounts, policies, procedures and risk assessments.

The Precept in financial year 2025/26 is £23,791, which equates to £98.76 per year for a Council Tax Band D property. The Council's financial accounts are available for the public to view at www.westdeanparishcouncil.gov.uk

LOCAL AUTHORITY ACCOUNTS: A SUMMARY OF YOUR RIGHTS

Please note that this summary applies to all relevant smaller authorities, including local councils, internal drainage boards and 'other' smaller authorities.

The basic position

By law, any interested person has the right to inspect the accounting records of smaller authorities. If you are a local government elector or registered to vote in the local councils' elections, then you are able to ask questions about the accounts and object to them.

The right to inspect the accounting records

When your council has finalised its accounts for the previous financial year, they must advertise that they are available for people to inspect. You must then provide the council with reasonable notice of your intentions. Following this, by arrangement you will then have 30 working days to inspect and make copies of the accounting records and supporting documents. You may be required to pay a copying charge.

The right to ask the auditor questions about the accounting records

If you have any questions regarding the accounting records, you should first ask your smaller authority. This must be done during the 30-day period for the exercise of public rights. You may also ask the appointed auditor questions about an item in the accounting records. However, the auditor can only answer 'what' questions, not 'why' questions so is limited with their response. To avoid any confusion, it is advised that you put your questions in writing.

The right to make objections

Should you view something as unlawful or believe there are matters of wider concern in the accounts, you may wish to object. If you are a local government elector, you have the right to ask the external auditor to apply to the courts for a declaration that an item is contrary to the law and should be reported as a matter of public interest. This must be done by telling the appointed auditor which specific item in the accounts you object to and why you believe it to be unlawful or think a public interest report should be made about it. You must provide clear evidence to support your objection, and this should be done in writing and the copied to the council.

You should not use the 'right to object' to make a personal complaint or claim against your smaller authority. Complaints of this nature should be taken to your local Citizens' Advice Bureau, local Law Centre or to your solicitor.

A final word

Smaller authorities, and so local taxpayers, meet the costs of dealing with questions and objections. In deciding whether to take your objection forward, the auditor must consider the cost that will be involved. They will only continue with the objection if it is in the public interest to do so. If you appeal to the courts against an auditor's decision, you may have to pay for the action yourself.

West Dean Parish Council, 14 May 2025

Item 20. Investment report

1. Background

The Parish Council has two bank accounts:

- Barclays Bank: On 31 April 2025, the closing balance was **£38,018.03**
- Santander Business Savings Account: On 1 May 2025, the closing balance was **£6,350**

Total £44,368.03

The Santander account attracts an interest rate of 1%, and the income in 2024/25 totalled £60.18.

2. Saving considerations

2.1. Precept:

The Council needs to access the Precept, which is the budget it expects to spend, at any time during the financial year. It is paid by CDC in two equal instalments in April and September. The Precept in 2025/26 is £23,791 (two instalments of £11,895.50)

2.2 Earmarked reserve (EMR)

Total EMR stands at £20,000 which is money saved from previous financial years for ongoing projects. There is SDNPA CIL funds of £1,612.98 which must be spent within five years from April 2024. Some of the EMR could be invested in a longer-term option which a higher interest rate as it is not needed immediately.

2.3 General reserve

There is a general reserve (minimum six months operating cost in case of emergency) which on 31 March 2025 stood at £12,215.07.

3. Barclays savings account

As an existing customer, the Council could open an Instant Access Savings account which generates an interest rate of 1.25% and 1.75% [Business savings accounts - Barclays Online Banking](#)

The advantage is that money can be easily transferred back into the main account when needed but still generates some income. For example, three months of operating costs could always be available in the main account, with the remainder in the savings account.

4. Santander savings account

As an existing customer, the Council could open a Business Reward Saver account with an interest rate of 1.19% [Business Reward Saver | Business Savings | Santander UK](#)

Or it could open a Fixed Rate Savings Bond with an interest rate of 2.5% with a minimum investment of £10,000 untouched for the fixed term. [Fixed Rate Business Bond | SME Bonds | Santander UK](#)

5. Other banking options

Many high street banks are not opening new accounts to business customers or charge for their accounts. The internal auditor recommended the following other options:

- Unity Bank: [Business Savings Accounts | Fixed Term & Instant Access Savings](#)
- Redwood Bank: [Redwood Bank | A specialist business bank](#)
- CCLA: [CCLA Investment Management - Good Investment](#)

6. Recommendation

That the Council considers the investment report with a view to:

1. Opening an Instant Access Savings account with Barclays Bank and transfer an amount of the Precept and/or EMR and general reserve to be agreed.
2. Open a Fixed Term Savings Bond of £10,000 with Santander to generate 2.5% over a fixed period.
3. And/or consider opening an account with Unity Bank to generate interest on an agreed amount for a fixed period.

West Dean Parish Council, 15 May 2025
